

## Create a new Microsoft account

Your Azure promo subscription has to be activated with a brand new Microsoft account before it's ready to use.

1. Use a web browser and navigate to URL <http://account.microsoft.com>.

2. Click on **Create a Microsoft account** to create a new account:

### Create account

[Use a phone number instead](#)

[Get a new email address](#)

Next

3. Use your email address or alternatively create a new email account in Microsoft domain by choosing **Get a new email address**:

### Create account

[Use a phone number instead](#)

[Use your email instead](#)

Next

4. Complete the account setup by providing requested information.
5. You are now ready to set up your Azure promo subscription. Proceed to the instructions available here: <https://www.microsoftazurepass.com/Home/HowTo>
